

Wildscape Restoration, Inc., dba Urban Greening

Founded in 2006, [Wildscape Restoration, Inc., doing business as Urban Greening](http://www.wildscaperestoration.com), has grown from an environmental consulting firm into a comprehensive design & build landscape contractor. Our services include:

- **Landscape and irrigation installation and maintenance**
- **Native plant-focused landscape design and irrigation efficiency**
- **Technical irrigation support, audits, conversions, and MWEL0 compliance**
- **Habitat restoration, invasive plant management, and weed abatement**
- **Wildfire fuel management and erosion control**
- **ISA Arborist services, drone surveys, and GIS mapping**
- **CEQA compliance consulting, biological assessments, surveys, permitting, and wetland delineation**

Serving an array of clients like government agencies, military facilities, educational institutions, utilities, developers, and more, we operate in Ventura, Santa Barbara, and Los Angeles Counties, with contracting and consulting services extending region-wide. Discover our full range of offerings at our website.

About Sourcewell

[Sourcewell](#) is government empowering government since 1978. Throughout North America, Sourcewell streamlines the public procurement process by conducting competitive solicitations on behalf of 50,000 participating agencies awarding the most responsive and responsible suppliers. Agencies can purchase from hundreds of awarded contracts delivered through a local dealer or rep-representative. Sourcewell staff work as force multipliers, empowering the public sector to fulfill their community service mission.

About Gordian

[Gordian](#) is the leading provider of Building Intelligence™ Solutions, delivering unrivaled insights, robust technology and expert services to fuel customers' success through all phases of the building lifecycle. Gordian created Job Order Contracting (JOC) and the industry-standard RSMean Data. We empower organizations to optimize capital investments, improve project performance and minimize long-term operating expenses.
